

FECHA: 01-02-2023

Certificado de Análisis L-Treonina 98,5%

Nombre : L-Treonina 98,5%	Lote Producción : DTP2310-20
Grado : Feed Grade (Cas N° 67-48-1)	Fecha producción : 26-10-2023
Cantidad : 81 Ton	Fecha Caducidad : 25-10-2025

Propiedades Físicas y Químicas

Parámetro	Especificación	Resultado
Pureza (Base seca)	≥ 98,5 %	99,2 %
Residual de ignición	≤ 0,3%	0,10 %
Pérdida por secado	≤ 0,35%	0,16 %
pH	5 - 6	5,50
Rotación específica	-26,0 ~ -29,0	-28.32
Metales Pesados	≤ 20 ppm	Conforme
Arsénico	≤ 2 ppm	Conforme
% Conclusión	Producto de acuerdo a la especificación. En conclusión, es apto para su uso.	

The present information is only to offer an orientation of the specific characteristics of the product delivered by Mercator Group. We recommend that buyers, when using our products, perform preliminary tests to determine that the characteristics of the product are suitable for their particular purposes.
