

FECHA:14-04-2020

CERTIFICADO DE ANALISIS Cloruro de Benzalconio 80%

| | | | |
|----------|------------------------------|-------------------|--------------|
| Nombre | : Cloruro de Benzalconio 80% | Lote Producción | : 20200310-1 |
| Cantidad | : 16 Ton | Fecha producción | : 10-03-2020 |
| Cas N° | : 68424-85-1 | Fecha Vencimiento | : 09-04-2021 |

Propiedades Físicas y Químicas

| Parámetro | Especificación | Resultado |
|-----------------------------------|------------------------------------|-----------|
| Apariencia @ 25°C | Líquido amarillo claro, viscoso | Conforme |
| Contenido, % | 78 - 82 | 80,53 |
| Amina libre + sal de mina, % | 2 máx. | 0,85 |
| pH | 6 - 9 | 7,73 |
| Color, APHA | ≤ 200 | 30 |
| Aminas Libres + Aminas-HCl (wt %) | ≤ 3,0 | 0,83 |
| Contenido de Etanol, % | Aprox. 10 | Conforme |
| Ceniza (wt%) | ≤ 1,0 | 0,02 |
| Turbiedad (NTU) | ≤ 1 | 0,5 |
| Cadena de carbón principal % | C12+C14 ≥ 90 | Conforme |

Conclusión : Apto para su uso.

The present information is only to offer an orientation of the specific characteristics of the product delivered by Mercator Group. We recommend that buyers, when using our products, perform preliminary tests to determine that the characteristics

of the product are suitable for their particular purposes. No authorization or guarantee is expressed or implied, with respect to the data. Nothing herein published constitutes a permit, suggestion or recommendation to put into practice inventions protected by any patent, nor as a recommendation for the use of any product or practice any procedure in violation of the law or government regulation, therefore it should not have responsibility awarded to Mercator Group once delivery is made.
